Aula 17

A photograph of a classroom wall. In the center, a large black screen displays the text "Aula 18" in white. To the left of the screen is a chalkboard with a wooden frame. To the right of the screen is a white speaker. Another white speaker is mounted on the wall to the left of the screen. Cables are visible running down the wall from the screen and speakers. The wall is light-colored with a horizontal line separating the upper and lower sections.

Aula 18

Aula 19

Aula 20

A chalkboard with a diagram of a trapezoid with vertices labeled A, B, C, and D. The top side is labeled '54' and the bottom side is labeled '132'. The text 'AB=AH+HB' is written below the diagram. Below the diagram, the following calculations are written:

$$27 = (AD+AB) \cdot 2$$
$$5 - 27 = 2025 - 729 = \sqrt{2796} = 368$$
$$7.4 = 51 \text{ cm}$$
$$-27 = \sqrt{2796} - 729 = 1188$$

A photograph of a classroom. A large black screen is mounted on a light-colored wall, displaying the text "Aula 21" in white. To the left of the screen is a small blackboard with a wooden frame. Below the screen, two wooden chairs are visible. To the right, there is a power strip on the wall with several cables plugged into it. The wall has some minor stains and a small white square object in the upper left corner.
